SUBJECT: CLECAT Circular 2025/126 (CITI) - UK - Customs Process
simplification package

Dear Member,

We would like to inform you that the UK government announced a package of technical tax policy proposals on 28 April 2025 to support its ambition to simplify and modernise the UK's tax system, improve the functioning of the customs system for traders, enhance the customer

experience, and ensure that UK Customs controls goods movements effectively. You will find a summary of the new UK measures in the attached document.

The document provides further details on the following customs-related topics:

- Temporary Admission
- Customs Digitalisation
- Transit
- Authorisation by Declaration
- Customs Treatment of Post and Parcel Exports
- Inland Border Facilities

For more information on the measures announced, please visit [GOV.UK](https://www.gov.uk).

Kind regards,

Eva Cartwright
