What awaits you

In this webinar, IATA will give you an overview of the IATA Cargo Agency Program, Cargo Account Settlement System (CASS) and the benefits of being an Accredited agent or CASS Associate.

Add more value to your business:

- Gain instant recognition from airlines as a reliable and trusted business.
- Benefit from IATA's worldwide distribution network of airlines and freight forwarders.

- Raise the profile of your business as an accredited company with trained professional personnel.

IATA Cargo Agents have access to the data processing system CASSLink, which automates the exchange of business and financial information between agents and airlines that use IATA's Cargo Accounts Settlement System or CASS.

- Streamlined invoicing and revenue collection.
- Standardized e-invoice distribution
- Automated remittance and settlement process
- Electronic distribution of invoices and generation of correction transactions
- Top-down view of the billing and settlement process
- Consolidated document flow and data security controls
- Analytics and interaction reports
- e-dispute resolution
- Paperless finance operations
