SUBJECT: CLECAT Circular 2025/201 (CITI) - EUDR - Guidance translations published

Dear Member,

We would like to inform you that all official translations of the Guidance Document for Regulation (EU) 2023/1115 on Deforestation-Free Products (the EUDR Guidance) have now been published in the Official Journal of the EU. Please find the English version attached for your reference, noting that the content has not been updated since its last publication in April (CLECAT Circular 2025/112 refers).

The guidance document is a non-binding reference that clarifies certain aspects of the EUDR and supports its implementation. It must be read alongside the legislation, which sets the legal obligations. Developed with Member State representatives, it aims to assist operators, traders, authorities, and courts, and may be updated as practical experience with the EUDR grows.

Should you have further questions, please do not hesitate to reach out to us.

Kind regards,

Eva Cartwright
