

Dear colleagues,

Trust you are well.

TIACA is delighted to extend an invitation for Vienna Airport to participate at TIACA's Global Executive Summit, taking place June 1st- 3rd, 2026, at the Hilton Warsaw City, and proudly hosted by LOT Cargo.

The Global Executive Summit serves as one of the air cargo industry's most distinguished gatherings, convening CEO's, Managing Directors, senior executives, and thought leaders from around the world. The ES offers a unique platform for organizations seeking to reinforce their leadership position, elevate their global presence, and engage directly with the sector's most influential stakeholders.

Attendees can expect...

- Executive-level perspectives on the challenges and opportunities reshaping air cargo
- Insightful panels and workshops on sustainability, digitalization, security, and global trade
- Unmatched networking with industry leaders, policymakers, and innovators
- Exclusive updates on Air Cargo initiatives, industry standards, and collaborative programs

We're thrilled to partner with LOT Cargo in welcoming the global air cargo community to Warsaw. Their commitment to innovation, safety, and service excellence makes them the perfect host for this year's Summit.

[Registration](#) for ES '26 is officially open.

Secure your spot and take advantage of the early bird rate available through March 31st.

If you're looking to distinguish your brand from the rest, the ES offers sponsors an exceptional platform for visibility, thought leadership, and strategic engagement.

Sponsorship of the Summit provides a special opportunity to:

- ✓ Enhance Corporate Visibility among senior decision-makers and global industry representatives.
- ✓ Demonstrate Strategic Leadership through alignment with TIACA's mission to advance innovation, sustainability, and collaboration across the air cargo ecosystem.
- ✓ Engage in High-Level Dialogue with executives, regulators, and innovators shaping the future of international logistics.
- ✓ Showcase Solutions and Capabilities to an audience seeking trusted, forward-thinking partners.
- ✓ Strengthen Industry Relationships through dedicated networking sessions and curated executive engagements.

Attached is an ES '26 prospectus for your review.

We would be privileged to welcome VIE to Warsaw and greatly appreciate your consideration in participating.

Feel free to share any thoughts or concerns that come to mind.

Thank you and looking forward to your presence.
