

Border Port's Recovery

Project type		Project Name	Estimated date to begin	Estimated budget	Financial Source	Respondent
Connecting Railways	1	Connection of the Gashuunsukhait–Gantsmod borders	1/1/2022	-	-	Ministry of Road and Transportation Development of Mongolia
	2	Connection of the Tavantolgoi-Tsogttsetsii borders	7/1/2021	-	-	
	3	Reconstruction of the main railway corridor, double corridor	-	-	-	
	4	Ereentsav-Bayantumen Railway	-	-	-	
Building new railway networks	5	Zuunbayan-Khangai	4/1/2022	-	-	
	6	Choibalsan - Khuut	-	-	-	
	7	Khuut - Bichigt	-	-	-	
	8	Sainshand -Baruun-Urt- Khuut	-	-	-	
	9	Artssuuri-Nariinsukhait-Shiveekhuren	-	-	-	
	10	Bogdkhaan	-	-	-	
	11	TT-Zuunbayan railways	-	-	-	
	12	Tavantolgoi-Gashuun sukhait loading and unloading terminal	-	-	-	

Border Port's Recovery

Project type		Project Name	Estimated date to begin	Estimated budget	Financial Source	Respondent
Building international transit highway of Zamiin-Uud – Altanbulag, connecting ports with hard surfaced road	13	Tavantolgoi-Manlai-Khangai	-	-	-	Ministry of Road and Transportation Development of Mongolia
	14	Tsagaandel Mountain	-	-	-	
	15	Altai-Burgastai	-	-	-	
	16	Tsagaannuur-Ulaanbaishint	-	-	-	
	17	Project to build road to Tes port	-	-	-	
	18	Numrug-Artssuuri /199 km hard surfaced road of Numrug-Artssuuri route/	1/1/2022	-	-	
	19	Khatgal-Khankh /185 km hard surfaced road of Khatgal-Khankh route/	-	-	-	
	20	Khutag undur-Baga Ilenkhi /136 km hard surfaced road from Khutag-Undur soum to Baga Ilenkhi port/	-	-	-	
	21	Shaamar-Zuunburen-Tsagaannuur-Tushig-Zelter /120.85 km road from Darkhan-Selenge to Shaamar-Zuunburen-Tsagaannuur-Tushig-Zelter port/	1/1/2022	-	Concession	
	22	Norovlin – Bayan Uul - Ulikhan /124 km hard surfaced road Norovlin – Bayan Uul – Ulikhan route/	1/1/2022	-	State Budget	
	23	Choibalsan-Khavirga /124.5 km hard surfaced road to connect Choibalsan city with Khavirga port/	1/1/2022	-	State Budget	
	24	Sumber port	-	-	-	
	25	Bayankhoshuu port /160 km road of Choibalsan – Bayankhoshuu port route/	-	-	-	
	26	Bichigt /277.3 km hard surfaced road of Baruun-Urt – Bichigt route/	1/1/2022	-	Concession	
	27	Darkhan road	1/1/2022	-	Asian Development Bank	

Border Port's Recovery

Project type		Project Name	Estimated date to begin	Estimated budget	Financial Source	Respondent
Building airfreight transit center by expanding "Chinggis Khaan" international airport, expanding capacities of the local airports	28	Expanding "Chinggis Khaan" international airport's operation	1/1/2022	-	Concession	Ministry of Road and Transportation Development of Mongolia
	29	Building International airfreight transit center	1/1/2022	-	Concession	
	30	4C-1 /Upgrading "Khovd" airport to 4C category/	1/1/2022	-	Concession	
	31	4C-2 /Upgrading "Dornod" airport to 4C category/	-	-	-	
	32	4C-3 /Upgrading "Khuvsgul" airport to 4C category/	1/1/2022	-	Concession	
	33	4C-4 /Upgrading "Degliitsagaan" airport of Uvs Aimag to 4C category/	1/1/2022	-	Concession	
	34	4D-5 /Upgrading "Gurvansaikhan" airport of Umnugovi Aimag to 4D category/	1/1/2022	-	Concession	
	35	4C-6 /Upgrading "Choibalsan" airport of Dornod Aimag to 4C category/	1/1/2022	-	Concession	
	36	4C-7 /Upgrading "Undurkhaan" airport of Khentii Aimag to 4C category/	1/1/2022	-	Concession	

Border Port's Recovery

Project type		Project Name	Estimated date to begin	Estimated budget	Financial Source	Respondent
Increasing throughput capacity of border ports and building freight forwarding terminals	37	Gashuunsukhait	1/1/2022	-	-	Ministry of Finance of Mongolia
	38	Bichigt	1/1/2022	-	-	
	39	Shiveekhuren	1/1/2022	-	-	
	40	Khangi	1/1/2022	-	-	
	41	Ereentsav	1/1/2022	-	-	
	42	Artssuuri	1/1/2022	-	-	
	43	Altanbulag	1/1/2022	-	-	
	44	Zamiin-Uud	1/1/2022	-	-	

Energy Recovery

Project type		Project Name	Estimated date to begin	Estimated budget (Million MNT)	Financial Source	Respondent
Expanding Thermal Power Plants' Capacity	45	Expansion of Thermal power plant III, 325 MW	1/1/2021	1,467,400.00	Foreign loan	Ministry of Economy and Development of Mongolia
	46	Expansion of Thermal power plant II, 100 MW	1/1/2021	284,600.00	Foreign loan and aid	
	47	Expansion of Choibalsan Thermal power plant, 50 MW	1/1/2019	226,791.00	75% from loan of Development bank, 25% from state budget	
	48	Expansion of Amgalan Thermal power plant	1/1/2021	66,650.00	85% from loan of Development bank, 15% from state budget	
	49	Expansion of boiler of Thermal power plant IV	1/1/2019	205,200.00	Foreign loan and aid	

Energy Recovery

Project type		Project Name	Estimated date to begin	Estimated budget (Million MNT)	Financial Source	Respondent
Building New Energy Sources	50	Tavantolgoi Thermal power plant, 450 MW	1/1/2021	2,296,904.40	Erdenes Mongol LLC 30%, State budget and others 70%	Ministry of Economy and Development of Mongolia
	51	Erdeneburen Hydropower plant, 90 MW	1/1/2021	776,446.00	Foreign loan 95% State budget 5%	
	52	Eg river Hydropower plant, 315 MW	1/1/2019	3,700.00	Loan from Development bank, State budget	
	53	5th energy source of Central region /Power plant based on Buuruljuut coal field, 300 MW /	1/1/2022	1,596,000.00	Public-Private Investment	
	54	Baganuur Thermal power plant, 400 MW	1/1/2021	1,608,000.00	Concession	

Energy Recovery

Project type		Project Name	Estimated date to begin	Estimated budget (Million MNT)	Financial Source	Respondent
Building electrical substation and wire connection networks	55	468.3 km 2 line electrical connection with 220 KW of Erdeneburen-Myangad-Uliastai route, expansion of substation	1/1/2022	354,109.00	Foreign loan and aid	Ministry of Economy and Development of Mongolia
	56	167 km 2 line electrical connection with 220 KW of Tavantolgoi Thermal power plant to Oyutolgoi, substation	1/1/2022	109,800.00	Foreign loan and aid	
	57	204.6 km 2 line electrical connection with 220 KW of Sainshand-Tsagaansuvarga route, expansion of substations	1/1/2022	99,000.00	Foreign loan and aid	
	58	2 line electrical connection with 220 KW of Baganuur-Chinggis-Choibalsan, expansion of substations	1/1/2022	235,000.00	Foreign loan and aid	
	59	2 line electrical connection with 220 KW of Baganuur substation to Choir, expansion of substation	1/1/2022	150,000.00	Foreign loan and aid	
	60	287 km 2 line electrical connection with 220 KW of Mandalgovi-Arvaikheer route, expansion of substations	1/1/2022	199,700.00	Foreign loan and aid	
	61	2 line electrical connection with 220 KW of Baganuur-Nalaikh-Ulaanbaatar route, expansion of substations	1/1/2022	148,000.00	Foreign loan and aid	

Energy Recovery

Project type		Project Name	Estimated date to begin	Estimated budget (Million MNT)	Financial Source	Respondent
Environmentally friendly, science and advanced technology-based energy projects	62	Nuclear energy	1/1/2022	4.20	Foreign loan and aid	Ministry of Economy and Development of Mongolia
	63	Green-hydrogen	1/1/2022	150,000.00	Foreign loan and aid	
	64	Natural gas	1/1/2022	2.80	Foreign loan and aid	
	65	Sustainable energy production	1/1/2021	172,100.00	Foreign loan and aid	

Industry Recovery

Project type		Project Name	Estimated date to begin	Estimated budget	Financial Source	Respondent
Oil Production Projects	66	Oil production plant		3,560,000.00	Preferential loan from EXIM Bank of India	Ministry of Mining and Heavy Industry of Mongolia
	67	Pipeline and relevant constructions		1,000,000.00	Foreign source for financing and building	
Projects to increase full use of Tavantolgoi and other coal mines	68	Coal concentration plant	1/1/2022	956,500.00	Financing from "Erdenes Tavantolgoi" JSC	
	69	Water supply project	1/1/2022	118,400.00	Financing from "Erdenes Tavantolgoi" JSC	
	70	Project to implement best practice to open cut mining	1/1/2022	2,066,200.00	Financing from "Erdenes Tavantolgoi" JSC	
	71	Undermine project	1/1/2022	2,850,000.00	Financing from project implementor	
Projects to increase full use of Erdenet, Oyutolgoi and other copper mines and increase production of processed copper	72	Project of Copper concentration production	1/1/2022	1,596,780.00	Financing from "Erdenet" SOE	
	73	Project to produce Cathode copper	1/1/2022	167,371.00	Financing from "Erdenet" SOE	
	74	Mining-metallurgy-chemistry production project	-	-	-	

Industry Recovery

Project type		Project Name	Estimated date to begin	Estimated budget	Financial Source	Respondent
Projects to build industry and technology parks and complexes	75	"Mongol steel complex 1" project	1/1/2021	1,445,805.00	Concession	Ministry of Mining and Heavy Industry of Mongolia
	76	Erdenet iron plant	1/1/2014	143,400.00	Financing from "Beren Group" LLC, Development bank	
	77	Altanshireent industry park	1/1/2019	1,197,000.00	Financing from "BTEG" LLC	
Projects to increase agricultural and crop farming food supply	78	Darkhan Leather processing factory project	1/1/2022	370,000.00	Foreign loan, local investment	Ministry of Food, Agriculture and Light Industry of Mongolia
	79	New Khovd production and technology park	-	-	-	
	80	Building meat production and prohibited area complex	4/24/2022	222,300.00	Preferential loan of China 95%, State budget 5%	

Urban-Rural Recovery

Project type		Project Name	Estimated date to begin	Estimated budget	Financial Source	Respondent
Traffic reduction of the capital city	81	To renovate urban transport	-	-	-	The Mayor`s office of Ulaanbaatar city
	82	New type of high-capacity public transportation service with a bridge structure	-	-	-	
	83	To build “New ring-road” in Ulaanbaatar city	1/1/2014	143,400.00	Financing from “Beren Group” LLC, Development bank	
	84	To Economic zone in Khushgiin Khundii	1/1/2019	1,197,000.00	Financing from “BTEG” LLC	
Decentralization and to build a new city, infrastructure and construction	85	“Junior apartment” project	1/1/2022	370,000.00	Foreign loan, local investment	Ministry of Construction and Urban Development Mongolia
	86	“To develop port and rural settlement zone” project	4/24/2022	222,300.00	Preferential loan of China 95%, State budget 5%	

Green Growth Recovery

Project type		Project Name	Estimated date to begin	Estimated budget	Financial Source	Respondent
Climate change mitigation projects based on green technology	87	"To plant One Billion trees" project	1/1/2021	7,208,200.00	Foreign loan and aid, State budget	Ministry of Environment and Tourism Mongolia
	88	Simple waste centralized eco-facility project	-	-	-	
	89	Hazardous waste centralized eco-facility project	1/1/2021	3,080,000.00	International projects	
	90	Orkhon Ongi project	-	1,145,985.00	Foreign loan and aid, State budget, investment	
	91	Kherlen Toono	12/31/2030	1,695,750.00	Foreign loan and aid, State budget, investment	

Government Production Recovery

Project type		Project Name	Estimated date to begin	Estimated budget	Financial Source	Respondent
To determine the optimal government structure that is friendly to citizens, the private sector and investors and to digitalize state services	92	Project to establish a center with integrated camera and surveillance system with advanced technology	1/1/2022	726,000.00	Foreign loan and aid, State budget	Ministry of Justice And Internal Affairs Mongolia
	93	Information analysis and operational management center	1/1/2022	15,000.00	State budget	
	94	A project to upgrade the radio communications of specialized agencies under the Ministry of Justice And Internal Affairs Mongolia	1/1/2022	16,056.08	State budget	

Investment Environment of Mongolia

INVESTMENT LAW (2013)

- No approval to enter into market and buy a local company
- No discrimination between foreign and local investors
- Fast registration process
- Stability guarantees - Provision of Tax stabilization certificate
