

Dear colleagues,

We have the honor to invite you to the event organized by The Freight Forwarders Association of Romania (USER), **“Romanian Freight Forwarder's Day 2025 – 2nd Edition”, on May 15, 2025, at the Romanian Chamber of Commerce and Industry, Bucharest.**

Details regarding this annual USER conference can be found here:

<https://user.ro/romanian-freight-forwarders-day-2025-editia-a-ii-a/>

We mention that we are still in the process of "building" the program, inviting speakers, but, as a general idea, we can inform you of the topics that will be addressed:

- Up-to-date radiography of all modes of transport – statistics, challenges, trends, opportunities;
- RO e-Transport System;
- Implementation of e-CMR in Romania and Europe;
- Frauds increasingly in road transport in Romania and Europe (fake carriers, cargo theft, fake CMR insurance policies) – Prevention methods;
- Insurance in the field of transport and freight forwarding;
- Possibility of simplifying the conclusion of transport contracts with carriers;
- Air cargo;
- Education and vocational training;
- Women in transport – invited representatives of the Women in Transport and Tourism Association (WTTA).

Translation from Romanian to English will be provided.

The participation fee is 155 EURO and includes:

- Participation in the conference;
- Coffee breaks and lunch;
- Speaker presentations.

Please register using the form on the website, as places are limited:

<https://user.ro/inregistrare-romanian-freight-forwarders-day-2025-editia-a-ii-a/>

Registration via the form is useful for us to organize ourselves in terms of catering, badges, table seats, etc.

Thank you and we look forward to seeing you at the “Romanian Freight Forwarder's Day 2025 – 2nd Edition” event!

Best regards,
