Today, geopolitical conditions and the sanctions in the region are forcing logistics companies and cargo owners to make active use of the transport corridors that pass through the territories of the Black and the Caspian Sea countries.

Keynote Questions:

- Trans-Caspian International Transport Route (Middle Corridor) development possibilities.
- Transit through Kazakhstan as a vital link in the transport route.
- Development of transport logistics infrastructure of Azerbaijan.
- Azerbaijan and Georgia potential as transit platforms for international transport corridors.
- Impact of the current situation in Ukraine on changes in international transport routes.
- Seaports and terminals. New development projects and adaptation of facilities cargo volume increase.
- Export prospects for grain and oilseed crops from Kazakhstan and Ukraine in today's world.
- Prospects of navigation in the Black Sea.
- Containerization like a factor of cargo flow growth.

Simultaneous translation En-Ru will be provided throughout the Forum.

Pay attention to special offers within the Forum:

--> **50% discount for companies from Azerbaijan** - [more details](#)

--> **Special terms for cargo owners (producers)** - [more details](#)

--> **Advertising and Sponsorship options** - [more details](#)

Additionally to the conference, there will also be **an exhibition area** which will make your participation more effective.
