FIATA is pleased to announce that the **Best Practice Guide on Contract Management, produced by the FIATA Advisory Body on Legal Matters (ABLM), is now available on the [FIATA website](#).**

In today's complex supply chains, ensuring strong management of the contracting process is ever more crucial for freight forwarders. This best practice guide provides general considerations for freight forwarders throughout

the contracting process, and provides guidance on what to watch out for and the essential contractual clauses to consider.
